Dear Professor Simonsen,

I am sending two proofs of a Paper I have written for the "Library Magazine" and should be very much obliged if you would read it through and let me know any corrections or additions that you can make to it. *all are in my own Library except when otherwise stated*

You might send one of the copies to Freimann, and ask him to do the same.

Please do not think that I have forgotten about Pyke's book on his escape from Ruhleben. I have asked him several times for it, and am sure you will get it eventually.

With kindest regards to you both.

Yours sincerely,

*E. M. Adler*
